
PETITIONER'S PROPOSED ORDER RE: SCHOOL PLACEMENT FOR RAE DORSEY

This matter comes before the Court upon the Motion of Respondent regarding preschool placement for the minor child Rae Dorsey for the 2026-2027 school year, and Petitioner's Response thereto. The Court has considered the Motion, the Response, the court file, and any evidence presented, and being fully advised, makes the following findings and orders:

1. Respondent's Motion Regarding School Placement for Rae Dorsey is DENIED.
2. The minor child Rae Dorsey's existing enrollment in the preschool program at Nederland Elementary School in the Boulder Valley School District for the 2026-2027 school year is confirmed and shall stand. The Court finds that Rae's enrollment at the Nederland Elementary program was completed through the Colorado Universal Preschool (UPK) match accepted by the Boulder Valley School District and by Petitioner on May 21, 2026, and no further enrollment steps are required to give effect to this Order.
3. Each party shall be solely responsible for providing suitable transportation for Rae to and from school on his or her respective parenting days. Neither party's transportation circumstances shall serve as grounds to alter Rae's school placement.
4. The parties shall cooperate with the recommended Boulder Valley School District Child Find evaluation process for Rae when that evaluation is scheduled. Any special-education or related services that Rae is ultimately found to need shall be provided through the Boulder Valley School District at Nederland Elementary School.
5. The decision regarding Rae's kindergarten and subsequent K-5 school placement is reserved for future determination by the parties or, if no agreement is reached, by the Court. Nothing in this Order shall be construed as a finding on, or as prejudging, that future placement determination.
6. Each party shall promptly notify the other party in writing of any change in residential address within five (5) days of such change.
