PURPOSE OF THIS EXHIBIT

This email chain establishes the complete chronology of Rae Dorsey's preschool enrollment at Nederland Elementary School. It shows: (1) BVSD initiated contact with Respondent regarding enrollment deadlines; (2) Respondent attempted to complete enrollment on May 29, 2026 — the same date Petitioner filed her motion — and encountered a "duplicate student" error; (3) BVSD confirmed in writing on June 8 that the duplicate was caused by Petitioner having already registered Rae in SchoolMint; and (4) BVSD corrected the issue and completed Rae's placement at Nederland.

KEY PASSAGE — June 8, 2026 (Liliana Luces to Richard Dorsey):

"We were able to add Rae to your SchoolMint profile. However, you were unable to proceed because Mrs. Lola had accidentally started an enrollment application for the K-12 program rather than the preschool program."

Note: "Mrs. Lola" refers to Petitioner Lauren Dorsey. Petitioner's enrollment application in SchoolMint created the "duplicate student" error that prevented Respondent from completing his Nederland enrollment.

Subject: Looking forward to meeting you and your preschooler

Good afternoon Mr. Rich,

My name is Liliana Luces, and I will be the person supporting you through Rae's preschool enrollment process.

A few days ago, my colleague Jhonnie emailed you with the next steps and the documentation needed to complete the enrollment process. One of the most important steps is completing the information in SchoolMint in order to secure Rae's spot at the school.

Once you complete the SchoolMint forms and the online questionnaires (ASQ-3 and ASQ-SE), we will need to schedule a short in-person meeting with Rae. This meeting can take place either at the school playground in Nederland or at the School District building in Boulder — whichever option works best for your family.

Please let me know your availability, and depending on the day and location, I can share the times I can. I am generally available between 9:30 AM and 3:30 PM.

If you have any questions or comments, please feel free to contact me by email or by phone at 720-561-3980.

Have a wonderful summer!

Warmly,

Liliana Luces

Hi!

Yes, I've hit a Roadblock. When I'm trying to finish my mint school registration, it says there is a **duplicate student**. Could I call you today Around 1:30?

Hi Richard,

I listened to your voicemail from the weekend and understand that you need assistance with the SchoolMint enrollment process.

We were able to add Rae to your SchoolMint profile. However, you were unable to proceed because Mrs. Lola had accidentally started an enrollment application for the K–12 program rather than the preschool program.

To make the process easier, I have already started the correct preschool application for you. All that remains is for you to log in to the portal and complete the remaining sections.

Once you log in, you should see your profile set up — to continue, click the "Start" button under "Register for Preschool Registration" on the right side of the screen.

Please let me know if you have any questions or need any assistance.

Also, please remember to complete the SchoolMint application and the questionnaires ASQ3 and ASQSE before our meeting on Thursday at 10:00 a.m. at the Nederland school playground.

Have a wonderful day!

Warmly,
Liliana

Hello Mr. Rich,

I'm glad to see that you're making progress with Rae's application!

1. UPK has received Rae's application. Please check your email and accept the placement offer at Nederland Preschool. Once you accept the offer, we will be able to determine whether Rae qualifies for 15 free hours (Half Day) or 30 free hours (Full Day) through the UPK program.

If Rae does not qualify for the additional 15 hours, the tuition for Full Day preschool would be \$785 per month for those extra hours.

If you believe your family may qualify for financial assistance, we should complete an income verification during our meeting tomorrow. For a household of 3, the annual income must be below \$70,622.50 to be eligible.

2. I noticed that the SchoolMint application has not yet been completed. This is where you'll need to upload documents such as Rae's Birth Certificate, Physical Exam form, and Proof of Residency.

If possible, please try to complete this today so that we can continue moving forward during our meeting tomorrow.

3. For the vaccine exemption, I have attached the link:
<https://cdphe.colorado.gov/immunization/nonmedical-exemption>

4. We still need a front-facing photo of Rae.

5. I noticed that you completed one of the two developmental questionnaires. I am resending the link ASQ-SE Nederland for the second questionnaire. Please select Option 2 (ASQ:SE-2), as that is the one that is still missing.

If you have any questions, please feel free to call or email me.

I look forward to meeting you tomorrow at 10:00 AM at the Nederland Elementary School playground.

Best regards,
Lili
